This application is for new owners who purchased their puppy from one of our Club's breeders. Your breeder will pay for your one-year "Head Start" membership in the Greater Denver Soft Coated Wheaten Terrier Club, Inc.

The purpose of the Head Start program is to provide new puppy owners with a support mechanism for the first year to learn about activities and information to help both puppy and family adapt to each other. We hope that new owners will find value in being a Club member and will continue their membership in the future. After your application has been approved by our Board of Directors, our Head Start Liaison, Nancy Burton, will communicate with you directly concerning upcoming Club events and answer your questions.
