

News Bites – Paint Your Wheaten (or Pet)!!

On Sun, March 19th, a group of painters from the Wheaten club met at a nearby studio in Lone Tree (Painting with a Twist!) and painted their Wheaten terriers (or other pets...). The painters all sent photos of their Wheaten terrier ahead of the Paint Your Pet event, the studio traced an outline of their Wheaten onto the canvas and provided a matched palette of acrylic paints, as well as guidance for painting the Wheaten. Everyone had a wonderful time!
